We require a 50% deposit to confirm a reservation, once you've had a chance to review the booking. We don't have a separate contract.

What is the cancellation/refund policy?

For private events, one week's notice is required to cancel a reservation. The deposit is fully refundable, other than a 6% charge to cover credit card fees.

Do you offer food?

We have snacks and light food for sale, but for groups that would like a meal we suggest ordering in. You're welcome to order from anywhere you'd like. We have suggestions for places that deliver to us frequently.

Can my group stay beyond our private event time?

Our private events reserve the whole facility for your group. We often have another group coming in, so your time ends at the time shown on your reservation. If you'd like to have a meeting or food/drink that will need to be factored into the event time.

We had a corporate stress relief event here with people of all ages and fitness level. We were a little concerned that this might not be something that everybody could participate in. The two hours went by way too fast- from the bar and initial training to the variety of games, it was a blast! Everyone had a great time and we really appreciated the safety measures and knowledge and friendliness of staff. Hands down one of our best events! We will definitely be back. -Amy

Wow! I took my team on a "surprise outing" here last week, and it was epic. My entire team left there beaming. The entire staff was incredible. I can't wait to take people back again for a birthday event in the future. This place is perfect for teams of all shapes, size and ages. It made us all feel like kids in PE class again. -Melissa

Amazing experience!! We had a company event here and rented out the entire place and had food catered. Everyone on the team said it was the best team building we have ever had. Thank you Archery Games! -Rachel

We came in with a group, and Archery Games was super accommodating! The Team had an absolutely BLAST! We will definitely be back! -Jason

I brought my team of 25 to Archery Games for a teambuilding event. I was looking for a unique option that nobody had done before, and archery dodgeball fit the bill! This is a great option to do something unique, and while it's an active game (most of us broke a sweat!), each individual could flex up and down based on their interest level and how hard they wanted to go. The session had many mini games, and we rotated teams in and out, so the 1.5 hours went by very fast. The team was very responsive as I was planning and were engaging and great facilitators during the event! -Taryn

Much more fun than expected! It's a simple, but fun activity for corporate events. It's an activity that is easy to pickup, unlikely to be mastered in in your first time there. 10/10 would recommend. -Brandon

We had a team event for work at Archery Games Denver and it was a blast. We had people of various ages and athletic abilities and we all had a great time. The team at Archery Games Denver was easy to work with and accommodating. Would definitely recommend!! -Laura
