Frequently Asked Questions

What is the timeline for the event?

Plan to arrive 15 minutes prior to the scheduled start time. The session will start promptly at the time booked. . The session will be one hour (plus 15 minutes for archery dodgeball to do training), and then you will have time to use the tables. The party will be 2 hours in total!

Are there restrictions on party favors or decorations?

Noise makers that may disrupt the next session such as kazoo's, spinning rattles, thunder sticks, etc are not allowed. Items that will leave an excessive mess like silly string or balloons with glitter are not allowed. . If you choose to bring balloons to decorate please make sure they are well secured. There is a \$25 fee if balloons are released.

What is the difference between a public game and a private game?

For a private game, the arena will be private and no one else can join in. A public game means other players may reserve the extra unused spots. We can hold 20 players in our arena at once.

Can we bring our own Nerf Guns??

We use the Nerf Rival series (the little yellow balls). Most people use our blasters, but you are welcome to bring your own. If you aren't bringing a Nerf Rival you'll need to bring your own ammo.

Why isn't Nerf Wars offered on Saturdays?

The Archery Dodgeball sessions on Saturday overlap each other and it takes our staff time to switch the arena from Archery to Nerf. Due to the time it takes to switch the arena over, we aren't able to accommodate Nerf Wars on a Saturday.

How do I update my booking?

All bookings can be updated and changed in your confirmation email. Or feel free to contact us!
